

I sat in my golf cart this morning, in the shade near the front of the property to say my prayers. This is the first time I've done that, and I was at such peace. I can only believe my day is going to be wonderful because God promised to be with me. My prayer is that God is also with you. Some of you may not believe and that is your privilege, but I can't help but believe with all that has happened in my life. So I thank God for this day. On another matter, I can't believe it is August! I had all these plans and many I'm still struggling to accomplish. I think we should redefine the 24-hour day to a 30-hour day ☺ THEN I could get things done – ha, ha, ha!!! On to the news. . .

DRIVE IN MOVIE

WI Dells has a drive-in theatre called the Big Sky Twin Drive-in Theatres. Located at N9199 Winnebago Rd, WI Dells: 608-254-8025

PROPANE

One of our campers came to me with some information on an alternative propane company that is supposed to be cheaper than Allied and are willing to provide a larger tank called "The Pig." He said he paid 93 cents a gallon last month instead of the quoted price of from Allied. This propane company is Ferrell Propane out of WI Dells at 4145 State Hwy 13, Wisconsin Dells, WI 53965. 608-254-2227. Check it out and do some comparison shopping!

PADLOCKS

Having a padlock on your electric plug-in box is a good idea. It prevents anyone or "thing" from messing with your electricity. However, you must turn in a key to the office because the box is our property. Also I encourage everyone to give us a key or hide a key to your RV, so if anything happens, we are able to solve the problem quickly. The keys are kept under lock and key and we will not enter your camper without calling you first unless it's a dire emergency.

TURNING LEFT OUT OF PARK

Huh??? You say! Perhaps some of you would be willing to turn left out of the park when leaving instead of going the 19th Street route. Unless, of course, you are taking 19th north. It is just as fast and it would cut down on the amount of traffic going west on 19th past the other people living on 30th Street – completely your choice, however.

LAWN MOWING

Some of you will receive a bill for lawn mowing. If you did, it's because your lawn just got too long and it needed cutting.

SUMMER HIDEAWAY RATES

Our rates are going up for 2017 by \$50. So it will be \$2,200 plus tax or \$2,321, plus a fee if using a credit card. Your \$200 deposit is due November 30, 2016 with the remainder due March 15, 2017. Yes, that is March 15.

BOAT CORRAL

If you've had a boat spot in our boat corral all summer, and you happen to take your boat out for the day, please put a flag in that spot (we'll provide the flag) so others know the spot is taken. Nothing worse than taking your boat out for the day and come back to no spot to park your boat. We are expanding the boat corral in to the new section-that will help.

DETAILING

There is a new guy in town that will detail your RV if you so choose. His name is Kevin of Premier Detailing and his number is 608-209-2932.

DOGS 'POOING' ON OTHERS' SITES

Please, your dog should be on a leash or electric fence or in the dog park. Also, if your dog poos on another's site, please pick it up and dispose of it properly. Thank you!

Remember Saturday nights between 6-10 p.m., it is adults only in the hot tub. This is when the temp gets turned up past 100 degrees; children are not allowed, by Wisconsin law, in water over 100 degrees. Also know where your child is at all times in the pool area.

AGAIN SOME PETTY THEFT

I call it plain old theft – this time a five-dollar sprinkler. Really people??? Who does stuff like this? Whomever you are, leave other peoples' properties ALONE – CAPEESH? That's right – all caps – I'm yelling! Trust us, if we find out who is doing this, you will be gone-period. Arrrrgh. . . I am so frustrated! You are making it very difficult for me to live in my happy bubble!
