

JUNE

For those of you who haven't been here yet, we have asphalt at the entrance, in front of the office, down to the first turn on one side (in front of the pool), and all the way to the dumpsters. And, no, we are not adding asphalt to the rest of the park. Jim would like to go around the center park, but that's it. It is amazing how much less dust we have; I can actually see the color of my car ☺ On to the news. . .

NO GLASS IN THE POOL AREA

 No glass in the pool area – period! But let's define glass – ANYTHING THAT BREAKS into glass shards. That includes swimming masks that are made of tempered glass. One broke this weekend, fortunately, it was by the fence. Otherwise, it would be a 3-day shut down for us – eeeeeek!!!

AED MACHINE

The AED (heart zapper machine) is now located on the front of the office building on the west side. Note, you can't open it without an alarm going off. I located it there in case it goes off at night, I'll hear it.

SPEED BUMPS

We are considering speed bumps. Please, please go 5 mph. Going 10, 15 mph or higher is too fast on our campground roads + kids.

TRIMMING TREES

 If you decide an oak tree needs trimming, ask Jim or Tim. If you trim an oak tree between April and September, you will open that tree to the beetle that invades it and gives it oak wilt. Experts estimate that it takes less than 10 minutes for a beetle to find a cut branch. Again, call Jim or Tim.

SITE 65 – CARA NIER

Cara has a shop in Hinckley, Wisconsin (Our LIL' Store). She stencils T-shirts with either a heat process or a transfer process. Kids are \$12 a shirt and \$15 for adult shirts. She can also take the Summer Hideaway T-shirts and add whatever you want on them. She also carries Vionic shoes for men and woman and customized totes. Cara will be at the Birthday Bash this year on June 18 and the Rummage Sales on July 2.

SWIM LESSONS

Jenna McGeoghegan, Site 124, will possibly be starting the swim lessons one week later, June 25 depending on her schedule. We'll keep you posted via Facebook.

BUCKHORN STATE PARK

FYI, the Buckhorn State Park rents single and double kayaks, and canoes – and now bicycles. Come to the office for a postcard with the rates for kayaks & canoes. You can call the state park directly to inquire about bicycle rates at 608-565-2789.

SANDY SHORES TUBING

On the Wisconsin River near Castle Rock Lake there are a few tubing places and one of those places is Sandy Shores Tubing. If you are interested, come to the office and pick up one of their postcards – looks like fun!

BULL SNAKE

 We caught a bull snake (at first we thought it was a rat snake but alas it was a bull snake) by the office. Jenna captured it, put it in a pillow case and I drove her across the street to release it (notice Jenna was the brave one). If you see a snake such as this, please don't kill it. It gets rid of the rodent population in the park, thanks!

TDS & THE INTERNET – Adam Reed: 865-218-9023

Adam Reed, sales advisor for TDS Telecom has further information for you as follows: Recently I've been in contact regarding service availability and pricing for customers taking up residence at Summer Hideaway. Laurie cited the full installation charge of \$87.90, which I am sure may appear shocking to clients that are only seeking service for a limited period of time. Call me, I can help cut that cost!

REMEMBER:
Mother & Father's Day
Pancake Breakfast Sat, June 11

A TDS UPDATE: If you have the Internet in the park and are paying for a certain download and upload speed, type in speedtest.tds.net. It will run both tests and give you a final result. Take a screen shot of it print it. Do this for a week and give us the results.

SITE 93

Their RV mat is missing – it may have blown away. If you find it, please return it or bring it to the office. 🌈

SEVERE WEATHER

If we have severe weather alerts, you can take shelter at either of our houses. If you have a dog or cat with you, put your dog on a leash and your cat in a carrier. With Erin and Tim's house (the one with a garage), knock on their door in the garage. Use our front door (the house without a garage). If we are not there, you can still come in (the house without a garage), just make sure your dog does not harm ours.

KIDS IN POOL AREA

Your children or grandchildren under 14 years of age MUST be accompanied by an adult in the pool area. If they come first and you are following, they must stay outside the pool area until you arrive.

DIVE IN MOVIE NIGHT

This summer we are showing movies on the pool deck after dark. You can float in the pool and watch or sit around the pool and watch. It should be fun!!

TIM'S COMPOST PILE

Most of you know that Tim has a compost pile – one is percolating and one is rich soil from last year's percolating compost pile. The piles are located on the north side of his front yard – right on the road. The right pile is dirt for present use, and the left pile is the new compost pile for next year. **HERE IS THE DEAL:** If you want to add to next year's pile (left pile) please do NOT add any woody materials, such as tree branches or bush branches – they don't break down well.

ICE CREAM PLACE – CASH ONLY

There is a nice soft-serve ice cream place not far from the park. It is called Ice Cream Place (I know, go figure!) Anyway, go north on Hwy G to Hwy 21 and turn right on Hwy 21 and the Ice Cream Place

is immediately to your left – can't miss it! Their hours are Tuesday-Friday 1:00 p.m. to 8:30 p.m. Saturday & Sunday 11:00 a.m. to 8:30 p.m. Closed Monday
