

SEPTEMBER

My Mind is one big Fat blank so - ON to the NEWS...

SHAWN AT GREENWAY

Yes it's that time of year again and now is the time to think ahead. So, if you want Greenway to winterize your trailer, you need to contact Shawn at sdiamond@greenwayrv.com. He will set up a date with you. Remember, there is an extra "e" in Greenway.

CLEARING VENTS

Staying in the same mind set, don't forget at home or here in the park, any vents on the outside must be kept clear so you don't get gases backing up in your home or trailer. That means if you winter camp, make sure your vents are clear before turning on your heat. Also you may want to put insulation in any ceiling fans that open directly to the outside - burrrrr!

AWNINGS UP

You may want to consider putting your awning up every time you leave. You can't predict the wind, especially when a storm blows through - just a thought.

ORANGE CONES

I know, I know I said if you take out your boat for the day from the boat corral, you can put a flag in its place to hold it. Well I decided that those flags are not easy to see - sooooo - I got cones!!! One cone will do the trick and it is VERY easy to see. . .

NECEDAH MOTEL

I just found out (you'd think I lived in a box) there is a very nice little motel just off G on Hwy 21 going east. I was told is it older but VERY clean. And only \$50 a night - nice!

ICE DROP BOX

Some wonderful person in our campground gave me this great idea (again, I must live in a box). He suggested a drop box to pay for your ice when we are not available. Of course, you'd need exact change, but you can get quarters from the change machine in the laundry room. Large bag is \$4, Small \$1.50. I ordered one this morning - I am soooo excited!!! I think I need a life. . .

PHASE II END-OF-SEASON PARTY

As Phase I did last year, the campers that consist of Phase II are throwing an end-of-the season party on Saturday, October 1, 2016. Last week I sent the organizer's letter to all the campers in Phase II. Tune in to our Facebook page for more details. There will be brats, karaoke, and games - Oktoberfest themed - sounds like a blast!

MINI GOLF FEE

I believe I need to clarify the mini golf fee. First, when you are finished golfing, you get your money back when I get my golf clubs and golf balls back. ☺ We charge \$10 a person - if the group consists of only children. If there is an adult in the group that intends to either be with the kids or play with them, then a \$10 fee is charged for the entire group. Again, you get your \$ back when the equipment is returned.

LOST AND FOUND

Do any of you recognize the following:

A sweater

A gizmo that a boy brought in and said it fell off a boat.

A beach towel and two gray bath towels

BIKE RACK

Bikes, bikes, and bikes galore. We are ordering bike racks for the front and by the back road that leads to the back side of the pavilion.

LEASE AGREEMENT CHANGES

There have been a few changes in our lease agreement - specifically #10 on page 3; #26 on page 4 and #'s 50, 51 & 53 on page 6. Please take the time to read these changes. The updated lease agreement will be on our website or come to the office for a copy.

ONE TRAILER PER SITE

During our state inspection, we were told that only one trailer can reside on a site. However, you can pull a small trailer on to your site for a weekend (or even a couple of days during the week), but then you have to take it off at the end of that time. We will be expanding the boat corral and the trailer corral. Again first come, first serve at the beginning of the season and that is your spot for that season only. Read No. 20 on page 4 of your lease agreement.

INFORMATION ON AREA SERVICES

1. **RV Repair:** Riverside 608-562-3000 & AJ's 608-742-6681
2. **Pest Control:** Schumer 608-565-7393 & On-Target 608-340-2002
